

Get to Know our Newest Team Member – Laura Kiesel #KieselChristmas

Q- Everyone loves a good Christmas family tradition. Are there any family traditions you and your loved ones like to partake in?

On Christmas Day, my loved ones and I enjoy going to the movies to see a matinee because it's not as busy.

Q - Speaking of movies, what was your favorite Christmas movie to watch while growing up?

A Christmas Carol

Q- Out of all the Christmas presents you've received in your lifetime; can you recall that one perfect gift you will never forget?

The time I get to spend with my family is the best gift I could ever receive.

Q- When it comes to Christmas dinner, what is something you must have at the dinner table to make your meal complete?

Ham, green beans, rolls. The works!

Q – There is so much to be done when it comes to holiday décor. Do you enjoy decorating? Where do you find the best deals?

Yes, Christmas is my favorite holiday. Nowhere in particular, I buy when I see something I like and usually when I'm not looking.

Q- A lot of people like to start prepping for Christmas early, some even start preparing before Thanksgiving. How early do you like to start your Christmas preparation?

I wait until after Thanksgiving.

Q- When it comes to Christmas shopping, do prefer to shop in store or online?

I prefer online, but sometimes there are those last-minute items and I'm running to the store on Christmas Eve.

LAURA L. KIESEL
CHIEF ADMINISTRATIVE OFFICER
CELL – 417.425.8417
LKIESEL@MISSOURITRUSTCOMPANY.COM

Laura began her career in trust and investment management services in 2004, and she has over 30 years of knowledge in the financial services industry. Laura leads the administration team at Missouri Trust & Investment Company, providing trust administration and complex wealth management solutions to clients.

In 2007, Laura obtained the Certified Trust and Financial Advisor (CTFA) designation, which requires study in Fiduciary & Trust Activities, Financial Planning, Tax Law & Planning, Investment Management, and Ethics. As a CTFA, her primary function and expertise focus on the provision of fiduciary services related to trusts, estates, guardianships and individual asset management accounts.

Laura is a member of the Institute of Certified Bankers and the Greene County Estate Planning Council, the Community Foundation of the Ozarks Professional Advisors Council, and the United Way Community Investment Council. In her spare time, Laura enjoys spending time with family, motorcycle rides, weekend getaways and working on projects around the house
